Dear Judge Webster,

Recently our newly established Marine Corps Wargaming and Assessment Center conducted its first General Officer Wargame. [redacted] of the Regional Issues Group provided invaluable support and analysis of Soviet intentions during the course of the game. His important contribution is very much appreciated.

In addition, [redacted] organized a most informative current Intelligence Update Briefing for the General Officers during the course of the game. The efforts of [redacted] and his associates further enhanced the Wargame through this sharing of pertinent information.

Again, my heartfelt thanks for the Agency's support and participation. We hope that this will be the beginning of a long standing relationship between the Agency and the Marine Corps Wargaming and Assessment Center.

Very Respectfully,
